- Program Success and Next Steps
- Q&A

### **Mission**

Giving foster kids a childhood and a future

### **2017 Goal**

Youth in foster care in King County will graduate high school at the same rate as their peers with a plan for their future.

### **Treehouse Programs**

#### **Graduation Success**

Proactive education planning, monitoring and coaching to high school graduation for middle and high school students in foster care in King County and high school students in Spokane, Everett, and Tacoma School Districts.

### **Educational Advocacy**

Work with schools, social workers, and caregivers to remove critical barriers to school success for children and youth in foster care statewide.

#### The Wearhouse

Provide 100,000 items of clothing, school supplies & toys that help our youth feel good, fit in, and succeed in the classroom.

### **Little Wishes & Summer Camp**

Pay for important extracurricular and school activities that research shows lead to better school and life outcomes. We also send 400 youth to summer camp and other summer learning and leadership experiences.

### **Holiday Magic**

Partner with 97.3 KIRO FM to raise resources from the community to provide over 5,000 children and youth in foster care with one significant holiday gift.

# The Why...

Why we do what we do

## Turn & Talk

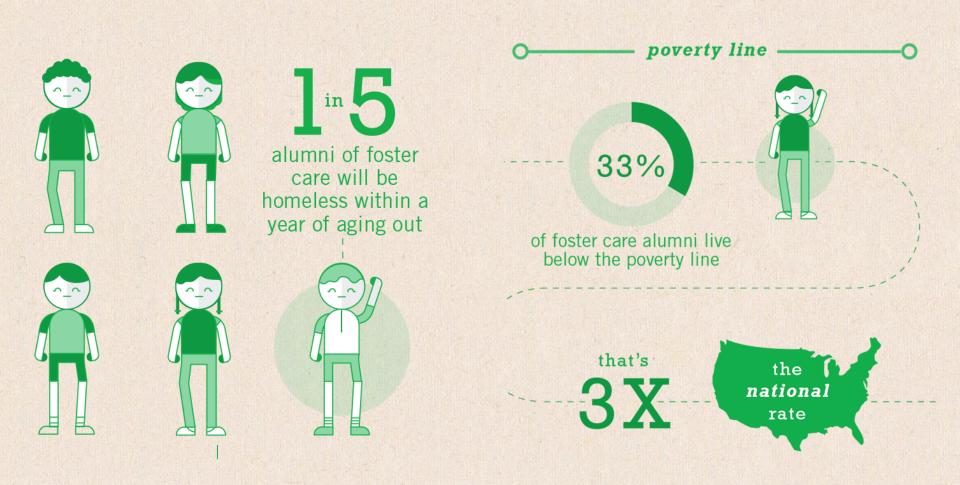

How does knowing your 'why' impact your work?

## No High School Diploma = Dire Outcomes

# What we've covered...

The Why...the reason we work with youth in Foster Care!

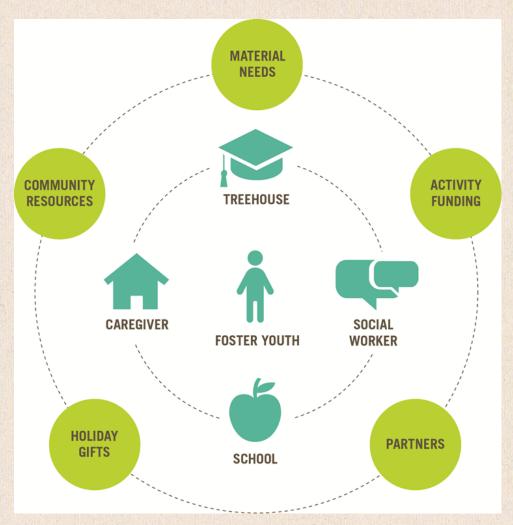

## The How...

How we do what we do

## Graduation Success Program Model

This year, we expect to serve 900 youth in 26 school districts

### **Check & Connect:**

Weekly monitoring & individualized interventions:

A = Attendance

B = Behavior

C = Course Performance
Build a support team around youth

### **Student-Centered Planning:**

Youth-driven Student-Centered Plan
Educational Advocacy to remove barriers
Youth define their support network
Extracurricular and school activities
Meet material needs
Coach self-determination & persistence

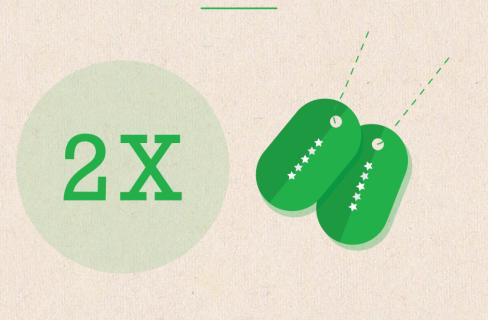

## Impacts of Trauma

The average youth in foster care experiences

placement changes

months of lost
academic progress per move

Youth in foster care suffer PTSD at 2x the rate of war vets

# Student-Centered Planning

- -Provides youth the opportunity for their voices to be heard
- -Builds Self-Determination
- -Helps youth identify needs and/or extracurricular activities they want to participate in
- -Helps youth identify people they can count on

|      |      |                      |

Complete the sociogram by listing people the student **knows** (e.g. an acquaintance in the community), **does** things with (e.g. a friend student meets to play once a week), and **loves** (e.g. student's sister). Make sure to ask about people at *home*, at *school*, in the community and at work (if applicable).
