

Check & Connect

A comprehensive student engagement intervention

Join us

Check & Connect Preparation and Implementation Training is a 1-day training that provides participants with a thorough overview of Check & Connect and its background and how to **prepare their site for implementing Check & Connect.**

Participants in this training will learn and understand —

- The core components and elements of Check & Connect
- The context for Check & Connect, including the process of disengagement and the risk factors associated with dropping out
- How Check & Connect was developed, its theoretical underpinnings, and its evidence base
- Steps for preparing for and implementing Check & Connect at their sites, from aligning Check & Connect with current initiatives through to evaluating the implementation and effectiveness of Check & Connect at their site

About Check & Connect

Check & Connect is an intervention designed to enhance student engagement at school and with learning for marginalized, disengaged students in grades K-12, through relationship building, problem solving and capacity building, and persistence. For information on Check & Connect and its research basis, visit <http://checkandconnect.umn.edu>.

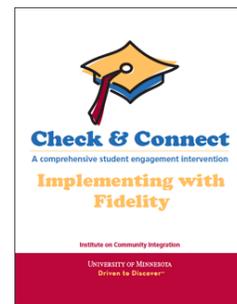

Who should attend

This training is designed for education administrators and lead staff (decision-making stakeholders) interested in preparing for and implementing Check & Connect. Researchers, community professionals, and others interested in the model are also welcome to attend. Note that this training is not intended for Check & Connect mentors.

Preparation & Implementation Training

August 10, 2016 • St. Paul, MN

Register by July 20, 2016

Check & Connect Manual

Participants receive a copy of the 2012 edition of the Check & Connect implementation manual. This

manual builds on the experience and continuing research of the past 21 years to offer users an expanded guide that incorporates new findings about the model. It walks users through the Check & Connect implementation process, outlining the key components, describing the steps to implementation, and presenting the underlying theory and research, including the four types of student engagement (academic, behavioral, cognitive, and affective), and the importance of intervening both directly with students and indirectly through enhancing students' home and school contexts. Additionally, the 2012 manual provides guidance on options for implementing Check & Connect with fidelity to its principles and strategies, while also responding to local school and community contexts. Value: \$50.00

Institute on Community Integration

CEHD | College of Education + Human Development

UNIVERSITY OF MINNESOTA

Cost

\$295 per participant (register by July 20, 2016).

Participants will receive a copy of the Check & Connect manual, printed resource materials, access to electronic implementation forms, and continental breakfast and lunch for both days of the training.

Location

To be held at the University of Minnesota, Continuing Education and Conference Center, 1890 Buford Ave., St. Paul MN. The Conference Center is approximately 11 miles from the Minneapolis/St. Paul airport.

Training runs from 8:00am - 4:30pm. It is essential for training participants to be present from start to finish at the training. **Casual dress.**

Agenda

Available at checkandconnect.umn.edu.
